TANDEM SKYDIVE

Tandem is arguably the best way to experience your first freefall! You get a 30 minute ground briefing on the equipment, exiting the aircraft, freefall and landing. You are then securely attached to an experienced tandem instructor with a 4-point harness system, and board the aircraft. The aircraft will normally climb to around 10 000 to 12 000 feet where you exit and begin to freefall. You will reach speeds of approximately 120 miles per hour. Your freefall ends at around 5 000 feet when the tandem instructor will deploy the main parachute and you begin your descent under canopy. This will last between 4 to 6 minutes as you fly towards your landing area. We have professional cameramen available to capture the moment. A video and photographs will be a lasting reminder of your day. The cost of video and 35mm stills vary from dropzone to dropzone, usually £80 to £100. Remember to ask for details when you arrive. The time of your jump will depend on weather and the number of jumpers attending the course. Expect to be at the dropzone for the day. The course fee includes P6 membership to the British Parachute Association, third party insurance, all instruction, hire of parachutes, helmets, overalls, your aircraft ride and your jump. **Spectators are welcome.**

*we may offer you an alternate centre.

Booking Form

In order to book your skydive complete the details on the booking form, sign the terms and conditions and enclose deposit, send it to: **UK Skydiving LTD, Globe House, Love Lane, Cirencester, Glos, GL7 1YG**. Once received we will send you confirmation, directions and details specific to your chosen Drop zone.

Skydivers Medicals and Consent Forms

On the day of the jump all skydivers will be required to complete the British Parachute Association Student Parachutist Declaration of Fitness. If the jumper is over 40, or has a medical condition that may affect their ability to freefall or parachute safely then they will require a doctor's certificate to be completed in advance. If the skydiver is aged 16 or 17 they will need their parent or guardian to sign their medical form and a consent form. We will have enclosed the medical and consent forms if we knew you needed them, but if we have not and you now think it may be required then please let us know as soon as possible. Medicals and consent forms need to be kept by the skydiver and taken to the dropzone on the day. You can contact us for these forms or download them at www.ukskydiving.co.uk

Sponsored Charity Jumps

What a great opportunity to raise some money for a good cause and have the experience of your life at the same time. At UK Skydiving we work in direct partnership with 2 charities per year. All the funds you raise over and above the cost of your skydive will go straight to the charity. UK Skydiving cover all the extra administration costs incurred and are dedicated to ensuring the charities receive maximum funds. We recommend that you raise a minimum of £400 sponsorship, once collected deduct the cost of the skydive and reimburse yourself then send the balance to the charity within two weeks of the jump. Tandem and RAPS courses available at 22 Centres nationwide. Please contact us on 0800 1116880 to find out more about these worthy causes, or download the info pack at www.ukskydiving.co.uk If you would like to jump for any other charity be sure to download the 'Any Charity' info pack.

Organising a Group

If you are organising a group all our correspondence will be via yourself, but we will happily speak to any individuals if they wish to discuss something in person. For groups of 5 or more contact us for a discount. It is the person paying for the skydive that is required to sign the terms and conditions. If this person is not the skydiver then they have the responsibility to ensure that the skydiver is aware of all points laid out in the terms and conditions. Particularly those points pertaining to the skydivers suitability and fitness to jump, and the forbidding of the consumption of alcohol on the day of the jump.

Skydiving Gift Vouchers, Gift Packs and Surprise Jumps

Our gift vouchers and gift packs are available for tandem, RAPS and AFF level 1 courses. There is no extra charge for the Gift Voucher. All of our Gift Packs are sent Special Delivery and include a £20 voucher for use against future courses. You can choose from the following packs:

Bronze Gift Pack contains a UK Skydiving T-Shirt.	Cost of chosen course plus £14.95
Silver Gift pack contains a UK Skydiving T-Shirt and exclusive UK Skydiving Playing Cards	Cost of chosen course plus £18.95
Gold Gift Pack contains a Quality UK Skydiving Hooded Fleece	Cost of chosen course plus £34.95
Platinum Gift Pack contains a Quality UK Skydiving Hooded Fleece and exclusive Playing Cards	Cost of chosen course plus £37.95

If you wish to organise the whole jump as a surprise, then you may fill in the skydivers details, preferred date and location on the form yourself. You need to consider the jumpers age and health as a BPA medical form may have to be completed in advance by their doctor. There can be no exceptions to the BPA rules on this I'm afraid, and this could unfortunately thwart your plans to surprise

FAQ's Restrictions and Exclusions

Age – Minimum age 16 (16 and 17 years with written consent from parent or guardian). Those over 50 will not usually be accepted for AFF or RAPS but there is no upper age limit for Tandem skydives. Weight – 96 kilos or 15 stones.

Fitness and Health - A fair level of fitness is required for AFF and RAPS but not necessarily for Tandem skydives. If you are over the age of 40 you will need your doctors approval, we will send you the relevant documentation for your doctor to sign. Under the age of 40 you may sign a self declaration of fitness.

Weather - Skydiving is weather dependant! Cloud – Good visibility and broken cloud is required for all forms of skydiving, and the cloud base should be no lower than your parachute deployment altitude. Wind – The maximum ground speed for Tandems is 20kts and for Raps and AFF 15kts. Check with your chosen club the afternoon before or morning of your jump for a weather update, don't rely on TV or radio.

Disabilities - If you are disabled this does not mean you cannot skydive. Contact us for more details.

Insurance - On registration at the club on the day of your skydive you will automatically be covered by 3rd party insurance. If you would like to take further personal injury cover, we recommend Extreme +. You can contact them on 08456760700 or via www.extremepius.co.uk. Please select UK Skydiving as "where you heard about us".

Safety - All our chosen clubs are regulated by the BPA British Parachute Association, to ensure that equipment and training is of the highest standards. All Student and Tandem skydivers wear a dual parachute system, where if the main parachute should fail there is a reserve parachute, which is easily deployed. Student and Tandem equipment are also fitted with an automatic reserve parachute-opening device (Cypres) this is in case of extreme emergency and this device is governed by speed and altitude.

Glasses and Contacts - Our goggles fit comfortably over your glasses, and contact lenses are no problem

Breathing in freefall - On exiting the aircraft you may gasp for breath for a second but will soon find yourself breathing normally.

How fast will I fall? - This varies, but you can expect to be falling around 120mph during freefall.

What should I wear? - If it's a cold day wrap up warm not bulky as you will be provided with a jumpsuit to wear over your clothes. On a hot day a t-shirt and trousers/shorts are ample. Trainers are recommended, do not wear any open toed shoes ie sandals. **We're here to help, so if you want more information please don't hesitate to get in touch.**
